

Organize a Food Drive

Iron Gate's mission is simple— we feed people. And you are essential to helping us fulfill that mission every day. We operate a grocery pantry three times a week to help Tulsa families make ends meet. In 2020, we fed more than 57,000 people from 20,184 households through our grocery pantry and distributed 17,286 Kid's Packs. Food drives are one of the easiest ways to get your company, faith community, social group, family or sports team involved at Iron Gate!
